MUST BE DESTINY!

Dear PURELY 18,

Back when I was in school I used to draw a lot and there was one image that popped up more often than any other: the nude figure of a girl almost as young as myself, slender with long, dark hair, teardrop-shaped titties, wrap-around legs, and between them a shaved pussy with peek-a-boo lips that only slightly exposed the pleasure hole of this unknown beauty. While that was several years ago, the image is burned on the inside of my skull and I see it whenever I need a little lady-inspired stimulation.

But imagine my surprise when for the first time I saw a photo of my longtime dream lover in your latest issue. I almost hit the floor and the roof at the same time! I greedily flipped through the magazine, awed by her perfect body so real on the page. I was shocked, overwhelmed and, I admit, pretty damn jealous. Even now I am hesitant to speak her name because she was mine and mine alone for so many years, but my therapist thinks it important to get it out. Her name is Destiny and she appeared in your issue #16.

There, I said it.

I don't mean to be greedy, but surely you can understand the perspective of a man who had that perfect body to himself for decades. That silky squeezebox was there for my pleasure in times both gentle and rough. I'm still not crazy about having to share her with every other horny prick in the world, but I don't suppose it was fair to keep her to myself. Since we've already gone this far, how about some fuck pics? She's got a great ass for screwing and that pretty face would look pretty fine with a load splattered on it. I should know, I created her.

Tomas
Collingston, CT

Dear Tomas,

It's not always easy when our dreams come true, but when it's a girl of Destiny's beauty, we adjust. We admit it is pretty crazy that she is the spittin' image of the girl who's come to your mind so clearly over the years. You might not like sharing her, but at least you can say you had her first!

DOUBLE PENETRATION SARAH

Dear PURELY 18,

I remember when I first started seeing pictorials and movies with girls

getting nailed by two guys at the same time, and it just didn't sit well with me. I reckoned there was at least one too many cocks in the equation. My buddies were always tag-teaming girls and I just got jealous until I got over it and joined in on the fun.

When I saw your photos of Sarah in **Purely 18** #16 it reminded me of how much fun those days were. The looks of ecstasy on Sarah's face as one guy takes her from behind, that sweet young muffin wet and eager, and her mouth open as she looks up with desperation, delightfully insatiable, are so familiar. I have always been surprised by how many super-hot chicks are willing to take one, two, or more guys and Sarah pushes the hot-o-meter up a couple more spots by doing it in front of the camera for all the world to enjoy.

Now forevermore we will be able to see the stockinged sweetheart on hands and knees, her ripe tits waving gently as cocks plunge in on both ends. I can't speak for everyone, but I know I'll be keeping this issue around for years to cum, er, come.

Ray
Springfield, IL

Dear Ray,

All women were not created equal as is evidenced by Sarah and how beautiful she looks taking on a couple dicks. Some are naturals and excel in situations like that and come out with a face covered in splooge and still smelling fresh as a daisy. You're a lucky man to have had the opportunity to double-deal a hottie or two, some of us just have the photos of other guys getting lucky—and we're happy to have them!

YOUNG LESBIAN GUILT?

Dear PURELY 18,

As a woman who has been around and seen her share of snatch (and more cocks than you can shake a dick at!), I'm still not sure how I feel about seeing girls whose certificates of legality still have wet ink on them fucking each other with mouths, fingers, and vibrators. Something about it just seems…wrong.

Don't start calling me a prude. I can lick pussy with the best of them and I can get any guy to cum with just my mouth in five minutes or less. I'll readily admit that seeing your pics of Leony and Felicia get me wet and even just thinking about them, I can feel the humidity increasing in my panties. If I were there I'd have nibbled on both their clits, sucked their nipples, and had them both cumming at the same time, fingering them as they made out.

So tell me why I feel such weird guilt looking at these photos!

Ann Margaret
Louisville, KY

Dear Ann Margaret,

We aren't psychiatrists or psychologists, but this is something that has come up a few times in our years of publishing. We believe it's a reaction to seeing something that is so purely beautiful that your brain can't even comprehend that it's being allowed to see something so natural and perfect. What other explanation could there be for feeling bad about seeing something so right?

DANNI: TIGHT & SO RIGHT!

Dear PURELY 18,

Just got your new mag in the mail and can't get past the photos of that reddish-haired girl with the honey slit. I've spent a good hour or two staring at that tight twat just trying to figure out how a guy is ever gonna get his dick in there, and I don't see a way outside of prying that damn thing open. Maybe she's been wondering the same. If so, tell her to get in touch. I've always got my lucky shoehorn ready to go just in case of such an emergency!

Theo
Long Island, NY

Dear Theo,

Oh, to have a lucky shoehorn! We're passing your letter on to Danni because you just never know what's going to strike a kinky cord with a doll and that just might be it. We wish you the best and hope you get to put your instrument to use soon and often.

Sasha Grey
Crossover Cutie

If you haven't seen **Sasha** on HBO's hit series *Entourage* or on the big screen in *The Girlfriend Experience*, you've been missing porn's latest lovable crossover sensation dabbling in the cleaner side of Hollywood. Not to worry though – Sasha promises to never abandon her raunchy roots, no matter where her mainstream success may take her. "I think there's room for both adult and mainstream acting to always coexist in my life. I'm too sexual to stop doing porn – I like it too much." Like music to our ears!

A Young Girl's Diary

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Kelly**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!***

Dear Diary,

I was so sick of the boys in my town, by the time I graduated I wanted nothing more than to get out of there fast. I still had months before college started, so my girlfriend and I decided to take her car out for a spin.

We had enough clothes for at least a week, but we didn't make it very far. We stopped for lunch just a few towns away and before we could even get our food, a couple guys came up and started hitting on us. I thought they were kind of cheeseballs at first, but I could tell that Lacie immediately took a liking to one of them. Sure enough, we didn't eat lunch there. We left with the guys just as the food came.

We went back to one of their houses and as soon as we got in the front door, Lacie was practically pulling her guy's dick out of his pants.

"Why don't you get a room already," I said.

"Why don't you quit being a prude already," she giggled back. "Are you scared if we fuck in the same room that you'll see that I really am better than you?"

Those were fightin' words because there were a few guys we had both fucked and she was always teasing me that they were secretly coming back to her, telling her she was the better lay. I never thought it was true, but it still made me a little crazy. The competitive spirit I'd learned through years of cheerleading was alive.

I pulled my guy down on the couch and crouched over him, kissing him and nibbling on his ears. As I helped him take his shirt off, I could hear a zipper across the room. That bitch was already going for his cock! I decided to turn things around so that I could keep an eye on them so she didn't pull any tricks on me. I whispered that I wanted him to lick my pussy and he enthusiastically agreed.

I stood up and put on a little show of getting undressed. Behind me Lacie was so busy slobbering all over a cock that she didn't see me at all. I danced for him as I took off my shirt and then wriggled out of my pants. I playfully rubbed my bra against his neck and then I slid out of my panties, displaying my little bush (thank goodness I'd just trimmed up!), which was probably already visibly damp. As I was sitting on the couch I tossed my panties across the room and hit my mark perfectly: They landed on his dick as she was still sucking it and she got a mouthful of my wet frillies.

She turned around and saw my man getting between my legs and she shouted, "Lazy slut!"

That was the moment when his tongue touched my clit and I just closed my eyes and felt for the first time what it was like to have a guy who knew what he was doing eat me out. Never before had I felt a tongue really explore my pussy and seem to almost worship my snatch. He stuck a finger inside and wiggled it from side to side and his tongue went up and down on my clit and I came and came hard. I squeezed my legs around his head as I came loud and proud.

Lacie was still over there sucking dick and my orgasm got her attention. She turned around and shot me a look and I just gave her a little smile as I reached down and unbuttoned his pants. He was hard already and his dick was big, I could sure feel that. I looked over at Lacie and her guy was pretty big, too, But mine was bigger, probably the biggest cock I'd ever seen.

He stood up and I got on my knees and sucked him off. I turned so that Lacie and her guy could get a good look at me. I used every trick I had ever learned—spitting, jerking him off, cupping his balls. He reacted well, but having the scent of my pussy on his face, he was ready to fuck. When he asked me if he could fuck me, I just nodded, pushed him gently onto the couch and mounted him.

I started slowly because I was unsure how his cock would fit in my pussy, but I was so wet that he slid in easily. I was on top, facing him, and soon I was grinding hard as he held my hips and kissed my lips. I heard Lacie tell her guy that she wanted him to fuck her and it made me cum again. That was when I realized how much I was getting off on fucking at the same time in the same room as my best friend.

Wanting to see more of their action, I turned on his dick and watched as they started to fuck. They started in missionary and I could see as she split her lips open and his cock entered her. Her eyes closed as she winced for a moment, then they opened and she saw me watching her. He began screwing her faster and she started bucking wildly. I played with my clit and told my man loudly how huge his cock was. Lacie looked and I could see she was impressed. My hand found my clit and I played with it until I came again, this time Lacie and I had our eyes locked.

I was feeling more adventurous than I had ever felt before and I whispered to my man that we should move to the couch. I think he knew even before I did what was going to happen, so he was eager to make the move. He started to fuck me doggie-style and I found myself face to face with Lacie. We began kissing deeply, unlike the playful, drunken kissing we'd done a couple times in the past. Suddenly I wanted to taste her pussy and I told her so. She got up and rode reverse cowgirl and I maneuvered my way to her jay-jay.

I was surprised by how nice it smelled and when I licked her, she tasted positively sweet. I couldn't get enough, lapping at her hungrily until suddenly she started to shake and as his cock screwed her and I licked her, she came, almost collapsing, her hands unconsciously tangled in my hair.

Lacie decided she wanted to taste my snatch, too, but instead of me taking the same position, we actually switched

places entirely—switching guys, too! This cock wasn't as long, but it was thick and it was really hard. As soon as I got on him, Lacie's tongue was on my pussy. She licked even better than the guy and it didn't take more than a minute before I came again and Lacie kept at it until I thought I was going to explode.

She kept licking and I just kept riding and then her guy—who started off as my guy—said that he was going to cum soon. He pulled his dick out of her and she turned around then put her mouth on his tool and he came quickly and she swallowed it all.

"I think I'm going to cum, too," my new guy said. I got off his cock and Lacie came over to join me as I jerked off his cock and then she grabbed it and started jerking it and next thing you know, he was cumming in her mouth, too.

"You bitch! That one was for me!" I screamed. So Lacie turned and kissed me and spit into my mouth the half a load that was still in there.

"Wow, you girls are quite a team," one of the guys said. "Do you come through town often?"

"Nope," Lacie said shortly. "First time, last time. Now I think we should go get some lunch. Maybe we'll pick up a postcard to remember your town by."

"Don't worry," I said, giving each of them a kiss goodbye, "if she forgets, I'll be sure to remind her. And I know just how to do it."

After that we picked up something to eat and headed for the next town. Talk about a summer to remember—for us and for guys all over the state!

BEHIND THE SCENES OF

PAY ME IN CUM

Currency *cums* in many forms. While most of us believe that nothing speaks louder than the almighty dollar, these 18- and 19-year-old sweetheart sluts prefer a different form of payment – a blast of hot cum squirting down their throats! While these horny young girls might not be much in the way of capitalists, they are spunk-starved opportunists, and Vince Vouyer's given them the greatest opportunity of all – a chance to break into the jizz bizzness by slurping, swallowing, and ingesting load after load of man-chowder in an attempt to prove themselves porn-worthy. Take a look and see just how well these cum-junkie wannabes prove their passion for prick-pudding as we go behind the scenes of *Pay Me In Cum*.

ASHLYN RAE BACK-TO-BACK JACK

Ashlyn Rae knows how to hustle. No sooner does she finish a job than she runs to the next one. This auburn-haired hussy sucks a cock and takes a load to her face, then jumps up, runs to Chris Strokes' house and fucks him, too. After giving it to Ashlyn every which way, Mr. Strokes lives up to his name by blasting a load across her face, which Ashlyn really shows her appreciation for!

MELANIE RIOS & VALERIE AT THE CAR WASH

You gotta love the hot, little Latin girls who work the car washes in LA: Wet tank- tops, short-shorts, leaning over your hood, wiping it dry. The only thing better than watching them wash your car is watching them suck your dick, and the way to have that happen is to pay them in cum! Colombian cutie **Melanie Rios** and her BFF **Valerie Rios** (no relation) actually prefer this form of payment, because for these young sluts, getting off is far more important than getting rich!

LONDON KEYES 6 OZ. ENERGY DRINK

London's britches are falling down around her ankles. That makes fucking this pigtailed princess easy for Joe Blow, who enjoys titty-fucking London before giving her a missionary reaming to remember! Once her pussy's been pounded into oblivion, London re-energizes herself with a nasty protein shake – then heads out to give more head!

RHIANNA RYAN VACUUM-PACKED

The only thing this exotic cutie does better than cleaning houses is cleaning cum off her face. That's because when she's done scrubbing the floors of her clients, she then vacuums the cum out of their dicks with her mouth – but not before she gets her asshole eaten and her pussy pounded by prick! After cleaning the residence, **Rhianna** is lucky enough to get paid twice, as two men pay her in cum!

ZOEY BENNETT LOOSE MASSEUSE

You know a girl's a cum-junkie when she's only in it for the sperm-fix. That's **Zoey** alright – she acts nonchalant while she's giving head, only to receive a fleeting sense of satisfaction when a load splashes on her face. Ten seconds later she's agitated and jonesin' for jizz yet again – so it's off to the next cock-chugging session, where Zoey's full-service massage ends in – you guessed it – another dose of man-milk!

Michelle

One-on-One Time

Michelle was excited to go camping with her youth group last weekend. When she met the group leader to carpool up to the mountains, Michelle was expecting a pretty big turnout. Oddly, just counselor Chris was there, but he ASSured Michelle that just the two of them could still go and have fun. Michelle agreed, but her usual corny weekends of burgers, hiking, and singing was replaced by getting her asshole defiled and her mouth filled with counselor-cum!

SWALLOW EVERY DROP #6

ANGELICA LANE

CARLA COX

GIOIA BIEL

SUMMER BAILEY

CHELSEA MOURNING

Some young girls are hesitant to let a guy cum in their mouth, scared by stories of salty-tasting loads or worrying that they won't be able to swallow it all and might displease the man. These five girls have no such reservations. Summer, Angelica, Gioia, Carla, and Chelsea all earn their appetites and in more than two hours only a few drops are wasted, the rest going down their throats.

That's the theme of the **Swallow Every Drop** series and this five-pack of beauties consists of all anxious cocksuckers who love to feel a big dick poking at their insides. With young coochies that snap back into place even after getting pounded with a huge dick, they feel entitled to gurgling down all the jizz these guys can unleash.

With an excellent mix—a redhead, blonde, brunettes—there is something for everyone and not for a moment does any of these girls flinch in the face of hardcore ramming and giant loads. They'll take yours, too, if you'll let them.

CARLA COX

Carla has long, blonde hair and, if you look closely (and you will!) you'll see a light muff above her pink entrance once she gets her white lacies out of the way. With ripe tits and a slender figure, Pike is willing to do just about anything to get his cock in her velvet love-glove. Luckily all he has to do is whip it out and she'll stuff it in.

Her pussy comes to life as she gets fucked, the flower opening like a spring morning and her dew shining on his dick. She adopts a pouty, sex-kitten stare, moaning agreeably as Pike unlocks her box. Carla pulls her legs back like a gymnast so he can get good and deep. "Is that better?" she purrs. He tells her it was great already, but…he can't finish the sentence as he's too caught up in stuffing her muffin.

They go into reverse cowgirl and Pike holds her up by her bubble-butt and she cums on his dick, her lips pursing and quivering a bit. "What about you, baby?" she asks. "Don't you want to cum? Don't I make you feel good?" He tells her to get on her knees and open her mouth. She responds immediately and he plops his mighty release into her mouth with just a few drops lost, dotting her little boobs.

ANGELICA LANE

Angelica can boast playful, teardrop-shaped tits, but any tears shed will be pure joy as she reveals her smooth flesh and a surprisingly juicy snazzola. She's proud of it all, teasing Mario with her pussy, asking if he's ready to have her bulky lips wrap around his cock. Oh, he's ready, as she finds out when she rubs a hand across his crotch and finds his cock hard as a rock. "Let me taste that big dick of yours before you fuck me," she demands with a smile.

She crouches below him and looks up with her young eyes, working on his tool and drenching it before stopping and lying back on the couch and spreading her legs. "Put that big dick in my hole," she says. "I want to feel your balls smacking against my ass." She pulls her legs apart and back and Mario's well-lubed prick glides in, eliciting moans with every inch as it sinks into her pink palace. As he fucks her, he plays with her love button and gets her to cum before he can get his cock all the way inside.

They fuck cowgirl and her pussy lips grip his shaft and she takes over clit duty, striking the right chord for a pair of orgasms before he builds up his drops for her to swallow. "Cum in my mouth, baby," she tells him. "I want to taste your hot cum." He jerks, spurts, and Angelica proudly opens her mouth to show off her cream-covered tongue.

SUMMER BAILEY

Summer is as hot as her name and you'll be the same, watching her slither out of her skimpy clothes and slobbering Chris' cock into her throat. Soon Chris is cramming that schlong in her pink hole from behind, the long-haired beauty cooing and ahhing, anxiously telling him how big his cock is in her little pussy.

When she gets on top we can see her fresh tits bounce and watch as her pussy stretches to allow her to take his entire cock and, sure enough, she's able to get her clit to kiss his ball-sack. "I am so full!" she exclaims. Chris allows her to set the pace and, much to his surprise, she turns it up a couple notches, giving him a hardcore ride-a-long that has her cumming on his dick more than once.

They move into mish, Summer pulls her legs back and hollers for him to fuck her hard, her pink gash accepting his prick as it pounds, making her cum once more before she's almost worn out. She has just enough energy left to take his load in her mouth and let it dribble out, long, white lines going all the way from her chin to the floor. "You fuck good!" she tells him, her mouth still full of his white globs. "And tasty, too!"

GIOIA BIEL

She may have a strange name, but her sexual energy is a familiar and always-welcome sight. The moon-faced brunette sits back on the couch displaying a well-done bush and elastic pussy lips that she loves to stretch apart and then feel snap back into place for that young snugness. Christian pulls out his dick and the veiny shaft slides past her teeth, across her tongue, and tickles the back of her throat. She pulls it out and there's a long strand of saliva connecting her mouth and the head of his hammer. "Let's go," she says, sitting back on the couch with her legs spread and knees pulled back by her head.

She pulls her lips apart so he can get his pecker all the way in and her flaps are like a fleshy claw, refusing to let his cock go. Christian towers over the 5-foot 8-inch beauty even when she's wearing her knee-high leather boots, and she looks relatively small as she bounces on his prick. He takes her wildly from behind and she orgasms loudly, gripping his back with her fingers. It's a feeling she wants to share and tells Christian to pop in her mouth when he's ready.

They go back to missionary for a minute with Christian giving her constant updates on the status of his load. When finally he's ready, Gioia is in a frenzy to get her mouth in front of his jizz exit and she happily accepts his white offering.

CHELSEA MOURNING

Chelsea has a big bubble-bumper and she's proud of it, shaking it for the camera and then for Sledge Hammer, taunting him by asking if he'd like to fuck her ass. Surely he would, but she says he'll have to wait. "I've never had a dick in my ass," she confides, "but if you fuck my pussy really good I might let you be the first."

Sledge takes her offer and pulls out his dick, jerking it while watching the rest of her routine. She's wide-eyed about the size of his cock and when he slides it in she is blown away. He fucks her from behind on a piece of gym equipment and she turns back with her model look—mouth open, top teeth exposed, eyes sultry, lips in a slight snarl. They switch to the bench-press and she gets on top, hanging on to the bar pull-up style as she lowers up and down on his dick, then uses it to steady herself as she cums.

Feeling her juicy lips squeeze him so tight gets Sledge all worked up and he tells her to get her landing pad ready for his refreshing drink. She gets on her knees and waits patiently, tongue hanging out, and is rewarded by a mouthful of his love-juice. She opens wide to show it off, then blows bubbles before letting it down the hatch. "Next time I think I will let you do me in the ass," she smiles.

Kitty

DUTCH TREAT

Orange you glad you just met **Kitty**? Our pumpkin princess has a thing for all that's orange and white. That's because she's originally from Holland (the land of legal sex, partying, and fun, whose country colors just so happen to be…*you guessed it!*), and if anyone knows how to have a good time, it's Kitty. Her pink pussy and tight, shiny, little asshole sure look like they know how to have a good time too. *(Don't worry, she's Dutch, she's cool with anything!)*

Jessica & Billie

True Freshmen

These two 18-year-old freshmen aren't even supposed to be in the bar, but since they're hot chicks, some gullible dude let them in anyway. The place had emptied out, which is just what these two young sluts were hoping for actually – they were more interested in kissing and cumming than getting drunk. **Jessica** and **Billie** made their way to the back of the bar, then they made out *on* the bar – and before long, they made the bar counter all sticky with girl-goo, too!

Hannah West

PRACTICE MAKES PERFECT

"When I was still a virgin, I used to fantasy fuck myself," confesses up 'n cummer **Hannah West**. "I'd deep-throat a carrot and pretend it was some guy's dick. I'd stick my own finger up my ass and fantasize about getting my first anal fucking. Then, when the opportunity to really do those things came around, I wasn't nervous – it was like I already did them! I totally psyched myself out!" Wow, sounds like you turned yourself into a real slut in the process, Hannah!
